

## FSU Fox Lab Site Visit Agenda

### Thursday, Feb 15, 2024

Location: NRB 112 Coffee room

7:45 AM Pick up at the Aloft Tallahassee, drive to Fox Lab

8:00 AM Executive session

8:30 AM Overview (Wiedenhoever)

9:00 AM Nuclear Astrophysics and Threshold Resonances (Almaraz-Calderon)

9:45 AM Nuclear Astrophysics and Super-radiance (Wiedenhoever)

10:30 AM Lab tour & Coffee break

11:15 AM Broader impacts (Cottle / Almaraz-Calderon)

12:15 PM Lunch with students and postdocs

12:45 PM Executive session

1:45 PM Shell Evolution and Exotic Nuclei (Tripathi)

2:30 PM Nuclear structure studies via direct reactions (Spieker)

3:15 PM Cross-Shell Configurations in Exotic Nuclei (Tabor)

4:00 PM Single-neutron strength in N=29 isotones:  
Subshell closures and missing g9/2 strength (Cottle)

4:30 PM Dean A&S S. Huckaba

5:00 PM Executive session

6:00 PM End of Day 1

6:30 PM Working Dinner, Harry's Seafood, Downtown Tallahassee,  
walking distance from Aloft

### Friday, Feb. 16, 2024

7:45 AM Pick up at the Aloft Tallahassee, drive to Fox Lab

8:00 AM Executive session

8:30 AM Response to questions

9:00 AM Committee discussion/writing

12:00 PM Lunch

1:00 PM Committee discussion/writing

3:00 PM Closeout
